ExpertPower is a Los Angeles-based energy solutions company located in the heart of beautiful southern California. Since its establishment in 1987, ExpertPower has worked hard to earn its reputation as the most dependable in the business. Our product reviews are from actual customers who both appreciate and trust the quality they have come to expect from our products.

From our smallest battery pack to our largest energy storage system, ExpertPower designs, manufactures, distributes, services and supports energy storage solutions that provide customers with superior value.

Our mission at ExpertPower is to empower individuals and communities to live sustainable and fulfilling lives by providing innovative energy solutions that enable energy independence and a greener future.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"Update 4/29/2021The battery is performing well. We made a trip to Florida to visit my parents which included one night without hookups...." Read more

"...The battery performance was better than expected. RV use and small-shed/camp low demand load uses. Low temp shutoff worked flawless...." Read more

"...The old ones lasted maybe 4 hours and these lasted 6 hours on the first outing. I'd have fished longer but I already had my limit...." Read more

"...No issue, lasts all day, It stopped charging one day and customer support sent me a brand new one extremely fast free of charge. Highly recommend ?..." Read more

"...Performed great. Went dead suddenly. 100 AH battery. The only thing different that I did was to hooked it up to my camper from my Test Project...." Read more
