

100kw on grid solar inverter

100kw on grid solar inverter

The Fuji 70-110K grid-connected inverter is suited for medium and large-scale commercial rooftops and ground-mounted solar PV system in which reliability and stability are important. The full series inverter has 30% DC input oversizing ratio and 10% AC output overloading ratio, offering a faster return on investment.

GinlongSolis provide residential, commercial and utility-scale sectors with sustainable solar products, while promoting a scientific, green and humanistic culture.

Free mainland next day*delivery on all orders over ?100 Ex.VAT. Enjoy free next working day delivery on all orders over ?100 ex.VAT excluding 1m+ & Pallet deliveries. All orders under ?100 will have a delivery cost of ?6.95 Ex VAT.

There are some geographical areas that we are unable to offer next day delivery as standard, such as the Scottish Highlands. We are unable to guarantee next day delivery to the following post codes AB31, AB33-38, AB44-56, IV, HS, KA27-28, KW, PA20-88, PH17-26, PH30-44, PH49-50, TR21-25 and ZE.

DPD Tracking & 1 Hour delivery window We partner with DPD for all of our deliveries excluding 1m+, fragile, batteries, & pallet deliveries. All DPD items are sent by express tracked next day service with a dedicated one-hour delivery window. On occasion, and to improve your delivery service, we may use alternative courier services.

Batteries & Fragile Goods For fragile goods such as batteries, lamps, and light fittings, we try to use a local delivery service where possible. Regardless of the courier, your goods will be thoroughly packaged to ensure they arrive in the best possible order.

1m+ Length deliveries Products 1m+ need a special delivery method with a cost of ?35 ex.VAT per bundle. We aim to provide a next working day service for 1m+ deliveries, however, it may take 1-2 working days.

Pallet Deliveries Larger products require a pallet delivery in order to safely ship these products to you. Pallet deliveries are ?150 ex.VAT and can take 1-3 working days but, in most instances, arrives in 1-2 working days. We endeavour to keep you updated on your delivery, however, please be advised that this might just be a named day service within normal working hours.

Whilst every effort is made to ensure that the stock availability of products displayed on the site is accurate; all goods are subject to availability. If on receipt of your order we find the goods you have ordered are no longer available from stock, we will inform you as soon as possible.

As a supplier of over 45,000+ products, there might be a time where you spot something that's not quite right.

100kw on grid solar inverter

If you spot this before we do, please contact us so we can look into this for you.

With more than 400 experienced employees always ready to support 24/7 before and after sales, DAT Solar is committed to ensuring the quality of all products distributed nationwide and providing smart solutions to help customers save time and costs.

Reduce time onsite with installation validation, even before grid connection. Provide more energy and system uptime with 175% DC oversizing, keep costs low with modular design and provide confidence with built-in, advanced safety features.
