

10kw grid tie inverter

10kw grid tie inverter

The Growatt MIN10000TL-XH-US is a state-of-the-art Grid-Tie inverter, meticulously crafted for residential energy storage systems. This versatile model is designed to facilitate not just grid-tie and battery storage capabilities but also to accommodate off-grid and solar systems with the addition of Growatt ATS (Auto Transfer Switch). Equipped with a user-friendly WiFi module, it allows for straightforward, plug-and-play online monitoring of your power system's status through a mobile phone or web portal, ensuring you are always in control and informed.

Growatt's MIN10000TL-XH-US Solar Inverter stands as a testament to the company's dedication to innovation, offering a high-quality, efficient, and versatile solution for leveraging solar power to achieve energy independence and sustainability.
