Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

Rechargeable Lithium-ion Battery Pack is designed specifically to integrate with our Light bars, Flexible LED Lights, or most 12V DC electronic device. The Lithium Ion Battery Pack can be recharged without limitations, as the battery is designed for a slow charge process (7 hours for full charge), which helps the battery pack last longer.

Model: YB1206000-USB Capacity: 11.1V 6000mAh Input: 12.6V/3A Max. (our package include a 12.6V/1A AC/DC lithium ion battery charger) Output: DC 12V (voltage range is 12.6-9V) /3A Max. USB 5V/2A Max. Weight: About 380g

Do not use the 12V lithium battery pack in places with high humidity or where it may be exposed to wet. Do not modify or disassemble the power bank. Do not throw the 12V power bank into fire or water. Do not place the power bank during charging on flammable materials such as in the bed or carpets. No long-term placement in a low voltage state. In order to extend the service life, it's suggested charge every three months if long term storage.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"As advertised, works great. One charge has lasted forever, using to power external lights on a golf cart. Charge time is also pretty fast...." Read more
