

210 kWh energy storage inverter

210 kWh energy storage inverter

Site Product

You have been directed to Discover Energy Systems Discover Battery's lithium products have been moved to their own website.

Your privacy is important to us. We want to make every customer experience safe and secure. In keeping with that goal, we have developed this Privacy Policy to outline our guidelines for the collection and use of personal information by (the "Site").

By using the Site, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, accessible at

We collect information from you when you register on our site, place an order or subscribe to our newsletter. Personal information may include your name, address, phone number, e-mail address, and credit card information. You may visit our Site anonymously. If you choose not to provide requested personal information, you will not be able to use certain features of the Site and you will not be able to engage in transactions through the Site.

We may use this information to personalize your experience, improve our website, improve customer service, tailor our online offerings to your preferences, process your orders, and send periodic emails. Your email address may be used to send you information and updates pertaining to your order, as well as occasional company news, updates, and related product or service information.

We automatically collect certain non-personal information that does not specifically identify you. Examples include the IP address of your computer, the IP address of your internet service provider, the date and time you access the Site, the web address of the web site from which you linked directly to our Site, the operating system you are using, the sections of the Site you visit, the pages you read, the images viewed, and the content you download from the Site.

This non-personal information is used for system administration purposes and to improve the Site. We may compile tracking information reports regarding user demographics, traffic patterns, and purchases, and then provide those reports to advertisers and others. None of the information in the reports can be connected to the identities or other personal information of individual users.

210 kWh energy storage inverter

We may also use your personal information to contact and correspond with you and to respond to your inquiries. With your consent, we may send to you email or other communications regarding goods or services we believe will interest you. We will always provide you the opportunity to "opt out" or unsubscribe. For example, each e-mail we send you will tell you how to decline further e-mail.

This Site contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested. We may share your information with third parties acting on our behalf or as permitted or required by law.
