

48v lithium battery bank

48v lithium battery bank

The EG Solar powerwall 10kwh wall-mounted Home battery is an intelligent (9.6kWh usable) residential energy storage appliance that offers homeowners the ability to store power generated by an onsite solar system or from the grid for use as an emergency home battery backup. Despite its attraction as an emergency power device, Powerwall was designed from the ground up as a way for homeowners with onsite solar systems to extend the power they generate during daylight hours into the night.

48v 200Ah 10 Kwh power wall come with built in BMS. Different from any other mos BMS. golfcart battery apply This BMS design for solar energy storage systems only. Up to now, our BMS has already interated communication portocol with most popular brand invertors in the market. This make sure the battery system much more stable and long life.

The EG Solar 10 kwh battery system is the ideal energy storage solution for grid-tied or off-grid solar installations. Lower your utility bill by avoiding the need to buy electricity at peak times with the EG Solar Lithium Battery EG Solar 48100.

EG Solar Wall-mounted home lithium battery adopts the patented rhombus prismatic LFP LiFePO4 cells. The whole internal assembly from cells, modules, BMS to components are screw fastening that presenting utmost safety and reliability.

EG SOLAR is the leading Supplier for Rechargeable Lithium type batteries. EG SOLAR is your best battery partners. No matter you are looking suppliers as Lithium battery manufacturing, or you need sell a realiable brand Lithium ion batteries. EG SOLAR is here ready to help.
