To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

Fabco is a global supplier of mobile power. Our generators have been used by the U.S. Military in both war and peace time for the past 50 years. It is our experience in building generators that meet military specifications that sets Fabco apart from all others. Our commercial units are built with those same standards.

The Hydro 500? is made from high-grade aluminum to ensure longevity under the most stressful conditions. This unit was designed to withstand the rigors of heavy use and inclement weather.

The Hydro 500? has the exclusive patented "Fury Precision Power Coupler Housing". This ensures perfect alignment and provides chatter and vibration free operation thus guaranteeing extremely long coupling life.
