

Battleborn 100ah lifepo4 battery

Battleborn 100ah lifepo4 battery

The 100Ah 12V Smart Heated LiFePO4 Deep Cycle Battery Kit delivers safe, reliable, long-lasting, and intelligent power - no matter the weather you might face. Equipped with a proprietary, low draw Integrated Heating technology, this smart battery is ready to charge and provide superior power, even in cold temperatures.

Offering all the same benefits Battle Born(R) Heated Lithium Batteries have brought to adventurers around the globe for nearly a decade, this 100Ah 12V Smart Heated Battery features smart battery technology that opens the doors to full power system connectivity, communication, and safety.

Dragonfly IntelLigence(R) is the proprietary communication technology inside Battle Born(R) Smart LiFePO4 Batteries, designed to give users the utmost confidence in their power system.

Enabling users to remotely monitor, configure, and optimize their smart lithium battery systems, the Battle Born(R) Mobile App works exclusively with products featuring Dragonfly IntelLigence(R) technology, including Smart LiFePO4 Deep Cycle Batteries and the HUB.

The Battle Born(R) HUB is required to take advantage of full system monitoring in multi-battery smart power systems, and is a highly recommended in conjunction with all Battle Born Smart Batteries to significantly expand performance, status, and monitoring capabilities.
