

Breakthrough news

Join hosts Eugene Puryear and Rania Khalek, and special guests from across the world, every week on The Freedom Side. The Freedom Side provides news and information for self-determination, covering U.S. and global politics

Congressional Rep Jamaal Bowman joined Rania Khalek to discuss the bipartisan AIPAC-funded campaign to push him out of office, his evolution on Palestine, his views on the Biden administration and what comes next.

Become a Patron to watch the full 90-minute interview: <https://> The historic deal brokered by China for a Saudi-Iran rapprochement reflects not only a changing region, but a shifting world order. While the US focuses on its proxy war in Ukraine, with US officials essentially blocking meaningful peace discussion both there and in Yemen, its [⋮]

Award-winning investigative journalist Seymour Hersh joined Rania Khalek on Dispatches to discuss his latest bombshell on how the Biden administration destroyed the Nord Stream pipeline using remotely triggered explosives with the help of the CIA, US Navy divers, and NATO member Norway. This means the US targeted the critical energy infrastructure of its most important [⋮]

BT's Rania Khalek sat down with Sheikh Naim Qassem, deputy secretary-general of Hezbollah, in Beirut, Lebanon. Hezbollah began as a resistance movement against Israeli occupation of southern Lebanon and has since grown to become a regional player across the Middle East. They discussed Hezbollah's role in Lebanon and the region as well as the group's [⋮]
