Discover one of the nation's largest public networks of DC fast chargers. We have over 1,000 fast charging stations. We're on a mission to deliver a fast charging experience that leaves fossil fuels in the rearview mirror. Find a Charger.

Fast charge your EV at one of 40+ EVgo charging stations in the capitol of the United States. This includes EV charging stations within the Washington D.C. city limits, Loudon County, Montgomery County, Prince George's County, Fairfax, Charles, Arlington, and Washington County.

To begin, open your EV's charge port and from the charger choose the appropriate connector. Plug your connector into the charge port until it clicks firmly into place. (\*Click!\*)

145+ million people in the U.S. live within 10 miles of an EVgo charger. Discover one of the nation's largest public networks of DC fast chargers. We have over 1,000 fast charging stations. We're on a mission to deliver a fast charging experience that leaves fossil fuels in the rearview mirror.

Where EVgo's leadership team comes face to face with your tweets, DMs, and burning EV charging questions. Follow along as we address some of the biggest challenges facing the industry today.

With more than a decade of experience owning and operating one of the nation's largest public fast charging networks, EVgo is a "first mover" and "first learner" in infrastructure program design. We work with utilities, government agencies, automakers, site hosts, fleets, and other stakeholders to accelerate transportation electrification.
