Electric car charging stations bc

To expand the provincial EV charging network, we've installed charging stations at 29 locations. One new fast charging location will open in Shelter Bay Rest Area, adding to the over 5,000 charging stations in the province.

B.C.'s rest areas are a convenient and beautiful spot to charge your EV. View the rest area map to plan your trip and check amenities like washrooms and picnic areas. Most rest area charging station sites include:
