

Electric vehicle safety luxembourg

In order to encourage you to opt for electromobility and active mobility, thereby rendering transport cleaner in the long run, you can apply for a subsidy for the purchase of a vehicle (car, van, quad, etc.) which must be:

On 19 June 2024, the Government Council adopted a draft Grand Ducal regulation aimed at extending by 3 months (from July to September 2024) and under unchanged conditions the "Klimabonus Mobilit?it" financial aid scheme for the promotion of zero-emission CO2 road vehicles, subject to the finalisation of the legislative and regulatory procedures.

The extension applies to vehicles for which the sales contracts are concluded no later than 30 September 2024 inclusive and where the vehicle is brought into service for the first time in Luxembourg no later than 30 September 2025 inclusive.

With respect to vehicles for which the date of conclusion of the sales contract, or, in the case of leasing, of the rental or leasing contract, is between 1 October 2024 and 30 June 2026 inclusive, and where the vehicle is first brought into service in Luxembourg at the latest on 30 June 2027 inclusive, new rules (granting conditions and amounts) apply for the subsidies.

New financial aid in the amount of EUR 1,500 for used cars that are at least 3 years old has been introduced, provided that the recipient of the aid owns the car for at least 2 more years and does not belong to the same household as the seller of the vehicle.

This financial aid is available for vehicles for which the date of conclusion of the sales contract is between 1 October 2024 and 30 June 2026 inclusive, and which have not yet been registered abroad.

Any physical person who is the holder or keeper (titulaire or d?tenteur) of a vehicle registered in Luxembourg, whether they are resident or non-resident.

In case of a rental or leasing contract, the subsidy can be paid to you as the holder or keeper of the vehicle as stated on the registration certificate or on the contract, provided that:

The aforementioned 6 month deadline is extended to 12 months if the date of conclusion of the sales contract, or in the case of leasing, of the rental or leasing contract of the vehicle, is on or after 1 April 2022.

Financial aid varies according to the date of conclusion of the sales contract (or, where applicable, the rental/leasing contract) and the date the vehicle was put into service.
