Trump has so far secured 295 Electoral College votes, according to the Associated Press, exceeding the 270 needed to win. Only Nevada and Arizona remain to be called, and both swing states are leaning Republican. Trump swept all five remaining swing states, North Carolina, Georgia, Pennsylvania, Michigan and Wisconsin, sealing his path to victory and giving him a strong mandate.

The count is ongoing, but Trump currently leads with nearly 51 per cent of the popular vote to Harris's 47.6 per cent. Trump has over 72.2 million votes, while Harris trails with approximately 67.4 million.

The concept has grown tremendously around the world and is forecast to thrive further, according to UnivDatos Market Insights' report on recent and predicted trends in the sector.

The global subscription e-commerce market was valued at \$13.2 billion (Dh48.5bn) in 2018. It is forecast to touch \$478.2bn in 2025, and include the entertainment, fitness, food, cosmetics, baby care and fashion sectors.

The report says subscription-based services currently constitute "a small trend within e-commerce". The US hosts almost 70 per cent of recurring plan firms, including leaders Dollar Shave Club, Hello Fresh and Netflix. Walmart and Sephora are among longer established retailers entering the space.

Personal care and beauty occupy the largest chunk of the worldwide subscription e-commerce market, with changing lifestyles, work schedules, customisation and convenience among the chief future drivers.
