

Industrial microgrids sahrawi arab democratic republic

Agenda 2063 is the blueprint and master plan for transforming Africa into the global powerhouse of the future. It is the strategic framework for delivering on Africa's goal for inclusive and sustainable development and is a concrete manifestation of the pan-African drive for unity, self-determination, freedom, progress and collective prosperity pursued under Pan-Africanism and African Renaissance.

H.E. Mr. Paul Kagame, President of the Republic of Rwanda, was appointed to lead the AU institutional reforms process. He appointed a pan-African committee of experts to review and submit proposals for a system of governance for the AU that would ensure the organisation was better placed to address the challenges facing the continent with the aim of implementing programmes that have the highest impact on Africa's growth and development so as to deliver on the vision of Agenda 2063.

The AU offers exciting opportunities to get involved in determining continental policies and implementing development programmes that impact the lives of African citizens everywhere. Find out more by visiting the links on right.

There is another subset of states with minimal recognition, often by one or a few states (e.g., Abkhazia, Nagorno-Karabakh, South Ossetia, Northern Cyprus), which provide a set of cases that are amenable to qualitative analysis but not statistical methods.

The Anonymous (2002) article was published anonymously because the author was a serving official of an international organization, in order not to compromise the neutrality of that organization (Anonymous 2002, p. 247).
