Kuala lumpur solar energy storage

Solar & Storage Live Malaysia 2025, the latest addition to the world's largest portfolio of clean energy events, will be a forward-thinking, challenging, and exciting renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, and more decentralised energy system for Malaysia.

The only event dedicated to the enormous potential of solar, energy storage and smart energy to power Malaysia's future, we bring our expertise running the largest renewable energy events in the Philippines, Vietnam, Thailand and beyond to help power a cleaner energy future for Malaysia.

We'll bring key stakeholders within the energy value chain together with innovators and disruptors to showcase their technology and service solutions needed to enable change at this critical time.

Solar & Storage Live Malaysia is your one-stop shop to take the pulse of Malaysia's solar, energy storage, grid and infrastructure market. In April 2025, you can expect:
