On grid solar inverter 5kw

Connect up to 6,500 watts DC solar power, the Sol-Ark 5KW 48V is an easy to install and high performing 5,000 watt (5kW), 240Vac and 97% efficiency, continuous power system for grid-tied or stand-alone solar power generation for homes and light commercial or backup power systems. The single unit operates as a power inverter, battery charger, and system monitor that will minimize utility grid dependence and optimize the balance between battery storage and renewable energy sources.

The system can be connected to up to 16,500 watts of solar panels making this powerful battery inverter one of the highest performing on the market. 10 year product warranty.

Best all around hybrid inverter from a quality company here!! Shop Solar Kits was friendly and so very helpful with my recent purchase of this beautiful piece of gear! Let me tell you, they emailed me on a holiday weekend to see if I had any questions and no robo email here folks; a human being responded to me immediately !!! Talk about amazing customer service! Thank you Shop Solar Kits!

Returns are free in the first 30 days with no restocking or processing fees, although the customer may be responsible for paying return shipping. See our complete return policy on our Shipping, Delivery, and Returns page linked in the footer of this website.

Our returns policy covers all purchases made through Shop Solar. For warranty issues, as authorized distributors, we honor the full manufacturer warranty of ALL the brands on our website. See our complete returns and warranty policies on our Shipping, Deliver, and Returns page.

All orders are processed within 72 hours and you can expect delivery on most orders within 5-7 business days. You will receive access to our customer portal after ordering, where it is easy to track all your shipments. See our Shipping, Delivery and Returns page for more details.

The prestigious ranking by Consumer Affairs is based on comprehensive evaluations, including ratings and reviews, equipment options, support services, pricing transparency, warranties, and various other factors. Among the top 6 nominated companies, Shop Solar stands out with the highest review rating, reaffirming its dedication to customer satisfaction and product quality.

We cut out the bloat of traditional solar companies and pass those savings off to you. Plus, we provide free shipping on all solar kits and lifetime customer service on everything we sell.

Our team of solar professionals is here to help you navigate the world of solar with ease. From selecting the perfect solar kit to installation and beyond, we provide support and expertise at every step of the journey.
