OVO Energy is a British energy supply company with headquarters in Bristol, England. Founded by entrepreneur Stephen Fitzpatrick in 2009, OVO Energy supplies gas and electricity to around 700,000 domestic and business customers in England, Scotland and Wales. OVO Energy has an approximate market share of 3.5 per cent, and they are one of the fastest-growing independent energy suppliers in the United Kingdom. OVO's standard electricity tariffs have a 33 per cent renewable energy content, with a 100 per cent renewable energy content available on the Greener tariff.

If you are a new customer, you can call OVO Energy on 0800 4086 610. This is the free phone number for OVO Energy sales. It can be called for all new pay monthly and prepayment enquiries. If you are not already an OVO customer, this is the direct dial number for OVO's sales department. Call now for a free quote on your energy needs.

For technical support from the OVO customer service team, you can call 01173 326 945. It can be called if you are experiencing any technical issues with your prepayment or pay monthly gas or electricity supply. Call now for technical assistant with your meter, smart meter, pay-as-you-go prepayment card or for issues with your energy supply.

The official freephone number for OVO pay monthly customers is 0800 5999 440. This is a free phone number that should be called by customers who are signed up to one of OVO's pay monthly energy tariffs. If you are on a pay monthly energy tariff, this is the direct dial number for the OVO Energy pay monthly customer service department.

The official freephone number for OVO prepayment customers is 0800 3583 523. This will connect you to OVO's prepayment customer service team. We recommend having your customer ID to hand when you call, to speed up your enquiry. Pay-as-you-go and prepayment OVO customers should call this number to speak to a customer advisor.
