Rugged solar power bank

After field-testing the best gear all year long, we know exactly what should be on your shopping list. Check out the top performing outdoors products and the best deals available.

Lancaster is Outdoor Life's gear staff writer where she focuses on in-depth testing of backpacking and camping gear, with a particular interest in lightweight and ultralight gear. She lives in the Pacific Northwest with her husband and daughter.

Advertising does not influence our gear reviews and it never will. While we always focus our coverage on standout products--because we want our readers to be aware of the latest and greatest gear--we also cover the flaws and quirks of any given product.
