Sma solar technology locations

Yesterday. A backyard workshop, three engineers, one vision: to supply people worldwide with electricity from renewable sources. Today. One company, 3,500 visionaries, innovators, lived passion: Innovative ideas and groundbreaking technologies for the energy of the future. Tomorrow. We remain pioneers and trendsetters: For 100 percent renewable energy - around the globe.

Our innovative solutions for solar and storage applications, intelligent energy management systems and modern charging solutions for e-vehicles enable people and companies around the world to achieve greater energy independence. Together with our partners and customers, we are shaping the energy transition. For a climate-friendly, sustainable future.

SMA has partnered with full-service distributors in the residential, commercial and off-grid segments of the solar industry. Our distribution model is designed to deliver the best of SMA products and services through reputable, leading distributors. Solar professionals will ultimately benefit from increased product availability, extensive service and support, and greater access to professional technical resources through SMA's distribution channels.
