

Solar energy for businesses qatar

Solar energy for businesses qatar

The success of our approach speaks for itself. We have developed solar systems installations across Qatar and these are increasing in size and number with each passing year.

Solar thermal system is used to heat water, in Partnership with World top thermal brands, and we provide all kind of thermal products to meet all hot water demands.

Our qualified and certified energy management team is equipped with the latest measurement equipment and devices to conduct professional and detailed energy audits

We are pleased to announce the participation of the Al Emadi Solar – ?????? ?????? ?????? ?????? as Exhibitor at Build Your House Exhibition taking place on 2-4 March 2020.
