At REM SOLAR, we believe in harnessing the power of the sun to create a sustainable and brighter future. As a leading rooftop solar company in Sri Lanka established in 2006 in the Republic of Maldives (Renewable Energy Maldives),

We stay at the forefront of technological advancements in the solar industry. Our state-of-the-art solar panels and energy storage solutions are designed to maximize efficiency, ensuring you get the most out of your solar investment.

We understand that every customer is unique. Our team works closely with you to design a customized solar system that aligns with your energy goals, architectural considerations, and budget.

At REM Solar, sustainability is at the core of what we do. By choosing our rooftop solar solutions, you not only save on energy costs but also contribute to a greener planet, reducing your carbon footprint and promoting environmental responsibility.

Our commitment to your satisfaction doesn't end with the installation. We offer ongoing support, maintenance, and monitoring services to ensure your solar system operates at peak performance throughout its lifespan.
