

Sonnen batteries for sale

Sonnen batteries for sale

The sonnenBatterie not only stores energy, it's smart. As an intelligent, backup-capable, energy storage system the sonnenBatterie can integrate into any existing PV system on the market. Gain your energy independence now and hedge yourself against future energy price increases.

Choose from sonnen's range of battery solutions to meet your unique energy needs. Built from German engineering and American ingenuity, every sonnen product has an industry-leading warranty, high-quality craftsmanship, and the intelligence to maximize your clean energy benefits.

We are over 125,000 members strong and together we are making a difference for individuals, businesses, communities, and the planet by building a clean and affordable energy future for everyone.

The sonnenBatterie Power Storage Backup System is an energy management solution that delivers electricity on-demand for residential and commercial customers. Sonnen uses LiON batteries built by Sony, combined with an Outback Power Radian hybrid inverter.

The sonnen ecoLinx is a unique solar energy battery in that it combines an intelligent energy management system with home automation systems, including Cretron and Control4. The sonnen ecoLinx intelligent energy storage system is linked to your homes controllable circuit breakers and home automation system. With this combined technology, you create a smart home powered by clean solar energy.

The sonnenBatterie protects you from rising electricity prices and provides you with energy independence. Use cleaner energy generated from your rooftop solar system and store it in your home battery day or night. Our German designed and engineered solar batteries are backed by a local technical support and customer service team.

From winning the the 2013 season of popular renovation show, The Block to establishing Alisa & Lysandra Interiors, you know these ladies know what they're talking about when it comes to high-quality interior design. As part of their newest online Design Duo series Twin-Off, sonnen and the Design Duo worked together to fashionably future-proof the girls' new homes and give them peace of mind through the sonnen App where they can monitor and manage their energy use 24/7.

We are proud of the awards we have been nominated for and received. The recognition we've received proves that our vision of a future of clean and decentralised energy supply is supported by our peers and industry.
