

Tbilisi battery performance

The name says it all: an ideal combination of premium quality and premium performance. A battery to fulfil the highest demands in performance, service life and reliability in mid-range vehicles and SUVs, for example.

Starting power that never ceases to impress: with the Energizer(R)Plus, you have the comfort of knowing you'll always have enough starting power under the bonnet, even in the most demanding situations.

We are Photovoltaic Modules (solar panels) and Residential Battery Energy Storage Systems manufacturers. The AIONRISE fully automated factory with an annual capacity of 500 MW is located in Georgia. Our premium quality PV modules are manufactured by using leading European-made components and are TUV, UL certified.
