Tunis city electric vehicle charging infrastructure

Welcome to our webpage dedicated to electric vehicle charging stations in Tunis, Tunisia! Designed to assist EV owners, this page aims to provide you with a comprehensive guide to locating charging stations in this vibrant city. As one of the most progressive cities in North Africa, Tunis boasts a growing network of charging infrastructure, making it an ideal destination for eco-conscious travelers and locals alike. Discover the convenience of charging your electric vehicle while exploring the rich history and culture of Tunis.

To discover the charging fees for a particular location, click on the pin icon on the map. Look for the cost field, where you can find pricing information shared by other users who have charged there. In some cases, you may also find pricing details in the charger's description. Please be aware that for certain locations, pricing information may not be accessible.

To pinpoint Tesla-compatible charging stations, click on a specific station pin on the map. Examine the station details for information on available connectors; Tesla-compatible stations will specify Tesla-specific connectors. Don't forget to check user reviews and comments for additional insights.

A station's score reflects the experience of users on a scale of 1 to 10, with 10 being the highest score. When a user reports a negative experience at a charging station, its score drops. When a user reports a positive experience, the station's score rises. A neutral comment or check-in does not affect the overall score. It is also worthwhile reading the comments on each location to get more insights into the reason behind each score. You can view PlugScores from the Station Summary icon on the map.
