Used lifepo4 batteries for sale

ShopSolar is the #1 online source for solar power solutions. With over 50,000+ happy customers, we're on a mission to make solar simple, transparent and affordable.

The Second-hand Like New batteries were purchased by customers who accidentally purchased batteries with the wrong capacity or incompatibility for their applications. Only a few have light scratches on the surface, but the functionality and quality is normal.

The Second-hand Very Good batteries have typically been used for 5-10 cycles. Visually, they have slight scratches on the surface, but their performance is normal.

All batteries with a "Second-hand" title have undergone a rigorous technical inspection before shipping and have the same 5 year warranty as our new batteries. Order with confidence!

Hello, please rest assured that all Second-hand batteries have undergone strict technical inspection before shipping to ensure that their performance is not affected. These batteries also come with the same 5-year warranty as new.

Hello, the Second-hand Like New batteries were purchased by customers who accidentally purchased batteries with incorrect capacity or incompatibility for their applications. These batteries are usually returned straight out of the box or after approximately 3-5 days of use. The lifespan of the battery corresponds roughly to that of a new condition.
