"Excellent staff. Amazing food. Sake that you can't find anywhere else. Overall, an amazing place to go. We prefer to sit at the high top bar, let's you have conversations with the staff. Josh and Chef Trent have made every visit spectacular."

"Yummy, creative food! Only thing I didn't like - we had reservations for the patio at 8:30 PM. When we got there they told us that they stopped seating outside. We had initially opted for the patio, because we knew that it was pretty loud inside and we wanted to talk (my friend and I). Begrudgingly we accepted the table indoors. Shortly before we left, around 9:45 - they started seating people on the patio. I felt not taken seriously, to be honest."
